January 31, 2025

Dear Customer(s),

In response to increased costs for testing and administration and for bulk water, transmission and delivery charges implemented by the City of Saskatoon and SaskWater we will be increasing our rates.

We have already been informed that our costs will continue to increase in 2025, 2026 and 2027.

Please do not hesitate to contact us should you have additional questions.

Sincerely,
Lost River Water
